## Connexions/Prospects Careers Services

Once our students reach the age of 13, the law requires us to pass on certain information to Sandwell Local Authority who have responsibilities in relation to the education or training of 13-19 year olds. We may also share certain personal data relating to children aged 16 and over with post-16 education and training providers in order to secure appropriate services for them. A parent/carer can request that **only** their child’s name, address and date of birth be passed to Connexions/Prospects Careers Services by informing the school Data Manager. This right is transferred to the child once he/she reaches the age 16. For more information about services for young people, please go to our local authority website
